**TOYS THAT TEACH**<sup>®</sup>

# PLAY YOUR

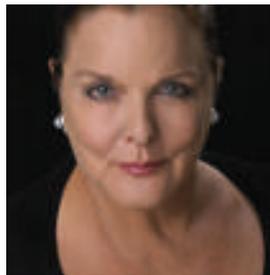

# WAY <sup>to</sup> HAPPY

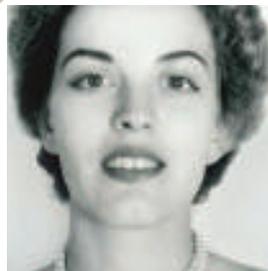

**safari ltd, a proud American, family-owned toy company, has been bringing the magic of nature to playtime with our toys that teach since 1982.**

**it's truly a family affair,** with Alexandre and Christina Pariente continuing the tradition. Inspired by a stack of Rumi cards and a dream, Alexandre's grandparents, Bernard and Rosemarie, founded Safari Ltd. to ignite learning and a love of nature through carefully crafted animal figurines and imaginative play.

Alexandre & Christina Pariente are Safari Ltd.'s Captains of Play and proud parents to the next crew of the Safari family - Ocean, Wild, Disco, and Love! The fourth generation of Safarians

**Clockwise from above: Ramona Pariente, The Pariente Family, Bernard Rubel, Rosemarie Rubel & last, but certainly not least, Bernie the Gator™, Mascot Extraordinaire**

**our mission is to teach children the importance of nature and its conservation through the joy of play.**

has inspired the Parientes to reach beyond figurines and explore the limitless world of play, expanding the creativity and potential of all children. Through sustainable, imaginative play, these parents and nature lovers want to instill an appreciation and love of our natural world for future generations.

### **we are evolving**

Inspired by the next generation, Safari Ltd® is excited to announce that we are evolving through our newly branded venture, ToyTopia®! We now have brick-and-mortar locations and are onboarding and partnering with like-minded brands to expand our range of product offerings in our physical locations and online.
